

You need the FUNDING? → We help structure it.

PBE, Pharma Bio Expert Inc., in partnership with Bausch Advanced Technologies, Inc. (USA), helps eligible pharmaceutical and biotech manufacturing projects combine advanced equipment technology with structured export financing solutions.

UP TO 85%

of eligible CAPEX may be financed*

**Subject to project qualification and financing approval*

Export-Backed Financing

Structured through U.S. Export-Import Bank (EXIM) financing programs.

Multi-Year Repayment

Financing structured for repayment over an extended period.

Full Project Scope

May apply to equipment, engineering & implementation costs.

Built for Growth

Designed for new facilities, expansions & equipment upgrades.

How It Works

1

Project overview
& feasibility

2

Eligibility
assessment

3

Financing
structuring

4

Equipment supply
& implementation

Have a Pharma/Biotech project waiting for CAPEX? Let's talk.
